A continental breakfast will be served before leaving the Sheraton on the Falls. Then you will be taken by bus to either the Fashion Outlets of Niagara Falls or to Barton Hill.

*(Half of the guests will shop in the morning, then go to the spa in the afternoon; the other half will go directly to the spa and will shop in the afternoon!)*

Each guest will be given a \$50.00 Gift Certificate to be used at the Barton Hill hotel and spa. Spa choices include services such as massage, reflexology, salon services, facials, waxing, manicures, pedicures, and make up instruction.

**You will receive a brochure in advance and must choose your service at least one week prior to the meeting!**

In addition, instead of a spa service you may choose an Individual Custom Scent Profile. *(A Certified Aroma therapist and Fragrance Designer offers a custom scent profile tailored to enhance the health and well being of the individual.)*

Each guest will participate in the Bountiful Culinary College with classically trained Chef LePree. The Chef will share his secrets for creating culinary excellence with a wonderfully educational and entertaining lesson. Approx. 1 hour.

All guests will return to the Barton Hill Hotel & Spa for a gourmet lunch served in the Lewiston Salon which overlooks the Gorge. A sampling of creations from the morning's Bountiful Cuisine will be served as well.

The Fashion Outlets of Niagara Falls is an inside and outside outlet mall in Niagara Falls, NY with approximately 130 stores.
